

At Takeda Patient Support, we've got you

When you join Takeda Patient Support, we're here to help you get the answers and information you need—and help make your treatment experience a little easier. Our support specialists can:

Offer insurance support by walking you through the process step by step and reviewing your financial assistance options. They'll help you understand what's covered, what's not, and what to do next

Work with your specialty pharmacy to help you receive your prescribed Takeda treatment (if available for your therapy)

Provide you with tips and timely information throughout your prescribed Takeda treatment

Enroll you in the Takeda Patient Support Co-Pay Assistance Program, if you're eligible*

Arrange for nursing support if you have questions about your condition and your prescribed Takeda treatment (if available for your therapy)

If English is not your preferred language, let us know. We may be able to assist you in the language of your choosing.

*To be eligible, you must be enrolled in Takeda Patient Support and have commercial insurance. Other terms and conditions apply. Call us for more details.

What to expect after you enroll in Takeda Patient Support

Receive your welcome call

Shortly after enrolling, you'll receive a call from one of our support specialists to welcome you to the program.

Learn about your insurance and financial assistance options

Next, a Takeda Patient Support specialist will call you to explain your insurance benefits and review financial assistance options.

Prepare for and start treatment

Takeda Patient Support can also help you prepare for treatment. Our support specialists can:

- Work with your insurance provider and specialty pharmacy to help you receive your Takeda treatment
- Arrange for training to teach you or a caregiver how to administer your treatment, if approved by your healthcare provider and available for your prescribed therapy.

Get ongoing support

Once you've started treatment, Takeda Patient Support will continue to assist you when needed. Our support specialists can:

- Help address insurance coverage issues
- Help you continue to have access to your treatment when traveling
- Direct you to community resources and education about your condition
