LIVTENCITY™ (maribavir) Quick Start Program

Patient Support
For Livtencity
Your Source for Education and Access

The LIVTENCITY™ (maribavir) Quick Start Program helps eligible patients get immediate access to LIVTENCITY while insurance coverage and authorization are obtained.* A benefits investigation is needed to determine patient eligibility after the Start Form is completed.

Patients will receive LIVTENCITY at no cost from Takeda while coverage is obtained.

Once eligibility requirements have been confirmed and the specialty pharmacy verifies the prescription, LIVTENCITY will be shipped to the patient.

Questions?
Call Takeda Patient Support at
1-855-268-1825 Monday-Friday, 8 AM to 8 PM ET.

*Prescriber must be actively seeking coverage and will submit required documentation such as a Letter of Medical Necessity or a Prior Authorization request to the payer.

The LIVTENCITY™ (maribavir) Quick Start Program is available for patients who are experiencing insurance delays and meet the following criteria:

Have been prescribed LIVTENCITY per the approved indication

Are commercially or government-insured

Are enrolled in Takeda Patient Support

If patients are not eligible for Quick Start, Takeda Patient Support can explore other financial assistance options.
